The role-playing game from KOG, a subsidiary of Crypton Future Media Inc., is a fantasy action RPG. The story begins in a fantasy world where humanity lives on in the neighboring world the "Lands Between," where the advanced civilization is living in peace. Religions and cultures are flourishing among the naturally rich lands. With the end of the world predicted, a group of people, called "the Elden," have the ability to wield the power of "Ars Magi" (magia). Wielding the power of the "Elden Ring" in front of their shields (kevlar, ballistic leather, etc.) and their shields, they explore a vast world full of excitement. Features:

1. An Epic Drama Born from a Myth: A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between.
2. Create Your Own Character: In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic.
3. Freely Develop Your Character: Various equipment, weapons, and magic spells can be freely developed according to your play style. Additionally, various firearms (mystic staves, holy swords, etc.) can be equipped and magic learned.
4. Fight with Competent AI: The game's artificial intelligence (AI) is designed to respond to the logic of the dungeon without being predictable.
5. A Living World That Changes Every Time You Play: The

world that you encounter, over which monsters prowl, evolves every time you play. The number of exits increases, as well as the range and power of monsters, and the dungeon also becomes bigger, attracting more monsters. 6. A Battle System that Makes Combat Exciting: A special system that allows you to enjoy the moment during battle has been newly added, including multi-target attacks and P.A.V. (Passive Aerial Vehicle), as well as allowing you to freely view various battlefields from a second-person view. 7. A Main Scenario That Changes With Each Play: The main scenario is connected to the game through the customization of equipment and weapons, and it changes with each play. 8. Rich Character Customization: You can

You can only get a message like this when you join the online matchmaking queue. When you enter matchmaking using a console, you will be placed in the online lottery process. After you win the lottery and if you chose to play the match, you will be placed in your slot in the match.

In addition, monsters that give Out of Time Effect when killed appear randomly once you enter the online matchmaking queue. You can end the dodge training in the training menu. If you do not finish a game, you can invite another person in the same group to play.

If you don't want to be a mediator any more, you can delete your avatar from the avatar library.

The box on the right above the character list is the channel box.

If you have friends you want to contact while playing multiplayer, you can set a contact method by using the contact method menu.

Set your desired contact method in the menu on the left.

You can see the contact method you have set in the application menu.

The contact methods can be set after your character name in the multiplayer

Download Arylalkoxyureas: new aldose reductase inhibitors. A series of arylalkoxyureas was tested for their ability to inhibit aldose reductase (AR). Derivatives of biphenyl-2-oxy and

1,2-diphenylethylene-2-oxyureas were aldose reductase inhibitors. Phenyl alkyloxyureas were potent inhibitors of in vitro AR.

Arylalkoxyureas exhibited a potent and selective inhibition of the enzyme with $IC_{50} = 30 \text{ microM}$. Arylalkoxyureas exhibited an $IC_{50} = 30 \text{ microM}$ against AR in rat erythrocytes and in subcellular fractions of rat retina.
